Blowing range / max	700 m	
Blowing speed / max	60 m/min	
Operating pressure / max	15 bar	
Machines dimensions /L x W x H/	260 x 100 x 140mm /weight approx.. 2kg	
Dimensions of the transport box	465 x 400 x 155mm /weight approx. 8kg	
Available accessories inside the set	*micro duct cutter *set of bushings and micro duct connectors *set of gaskets* tools * spare wheels with removable rubber bands* air hose	
Required efficiency of the compressor	micro ducts up till 8mm-0,8m3/min micro ducts between 8-12mm-1,0m3/min micro ducts between 12-15mm - 1,5m3/min	

## Available models: BDJ BUDGET

<p><b>BDJ BUDGET</b></p>		
<p><b>BDJ BUDGET Plus</b></p> <p>An openable (split) blowing head allows you to remove the cable from the machine without cutting the cable. This is a useful function if you want to withdraw the cable from the micro duct or you want to blow the cable in another direction.</p>		

## Our recommendations!

	<p><b>Tripod-</b> handy tool to stabilize the unit and work conveniently.</p>
	<p><b>Prelube liquids</b> – reduce friction and extend the blowing distance</p>
	<p><b>Bullets for micro duct calibration (5, 7, 8mm)</b></p>
